

Job specification – Front-end developer

Location: **Near Bournemouth**
Reports to: **Head of Design**
Date published: **14/11/2016**

About the role

Due to our rapid and accelerating growth, plan.com is looking to recruit a front-end developer, who will work directly with our Head of Design.

Working from our office in Ringwood, Hampshire, this is a varied and exciting role for someone wishing to develop their skills and enhance their career within our company. Some of the responsibilities will include:

- Working with the head of design to own the build and delivery of our responsive email campaigns
- Produce responsive landing pages for guides, promotions and company updates
- Manage the day to day running and updating of the company websites
- Moving forward you will also be required to work with our development team to maintain and produce pages for our award winning portal with the chance to work with modern tools and libraries like Bootstrap, React and CSS modules.
- Occasional trips to our head office on the Isle of Man to plan future projects

Your profile

- 2+ years HTML(5), CSS(3) experience, including concepts like responsiveness, cross browser and accessibility
- Ability to hand code without such tools as DreamWeaver
- A knowledge of Modern Web standards
- Experience with Bootstrap a plus
- A familiarity with photoshop and a creative eye, the ability to take designs and replicate them to front end code perfectly
- Experience with building responsive emails and working with mail platforms such as mailchimp
- The ability to work in a fast-paced office environment
- Deadline focused with ability to prioritise tasks
- Strong team player but able to work unsupervised on projects when necessary

About plan.com

plan.com is the UK's fastest growing business communications provider.

We're technology-led and invest heavily in our award-winning online portal, which our partners use to generate quotes, close deals and manage customers.

Thanks to our portal, we've torn up the rulebook and changed the industry. It gives our partners unprecedented levels of flexibility and control, helping them to open and close deals, as well as deliver exceptional service even when they're away from their desks.

Along with our outstanding customer service and impressive commercials, it's the reason we're number one.
