- Thorough knowledge of PHP and MySQL
- Knowledge of SOAP XHTML & CSS, JavaScript including Object Orientation and AJAX methodologies and XML would be an advantage
- Excellent communication skills and a good team player who thrives on exceeding expectations
- Dedication to deliver and meet team and business objectives

What's in it for you?

- Competitive package
- Bonus scheme and recognition awards
- Company-wide pension scheme
- Private health insurance
- Flexible personal interest allowance
- Personal development and training
- Generous holiday allowance and paid bank holidays
- Extra half day holiday on your birthday every year
- Family friendly with maternity/paternity allowance
- Wide range of social events including legendary Christmas and summer parties
- Excellent exposure in a fast-paced environment whilst being challenged and rewarded

The content of this job description may change alongside the key performance objectives of the role if priorities of the business change.

About plan.com

plan.com is the UK's fastest growing business communications provider.

We're technology-led and invest heavily in our award-winning online portal, which our partners use to generate quotes, close deals and manage customers.

Thanks to our portal, we've torn up the rulebook and changed the industry. It gives our partners unprecedented levels of flexibility and control, helping them to open and close deals, as well as deliver exceptional service even when they're away from their desks.

Along with our outstanding customer service and impressive commercials, it's the reason we're number one.
