Microsoft Intune

Intune lets your customers manage their company devices (MDM – Mobile Device Management). These devices can be phones running Android, iPhones, Windows phones, Tablets running Windows 8.1+, or computers running Windows newer than Vista.

WHY WORK WITH US?

Real time information at your fingertips. Our award winning solutions will enable your business to operate more efficiently and save money. Best of all, we keep it simple.

FLEXIBLE

Buy some or all of your hardware from us, adjust pricing to the nearest penny and build packages that are right for your customers.

RESPONSIVE

We work with you and your customers to answer all of your queries, so no more long hold times or form filling exercises!

INNOVATIVE

We're technology led, so you can expect nothing short of efficiency and simplicity, from start to finish, from a team of experts who know exactly how to get the job done.

TRANSPARENT

Our award winning customer and partner portals make it easy for both you and your customers to manage your accounts in real-time. Full control at your fingertips.

HOW TO CONTACT US

www.plan.com
+44 (0)3300 88 10 10
sales@plan.com

- ✓ Flexible pricing
- ✓ Increases ARPU (Average Revenue Per User)
- ✓ Reduces customer churn
- ✓ Users benefit from automatic updates directly from Microsoft

-  Protect and manage these devices against viruses and threats
-  Easily create an inventory of your company's assets
-  Require devices to have a password and control the complexity of it
-  Control browser settings
-  Block camera
-  Wipe missing or stolen devices remotely
-  Keep devices up to date

-  Require encryption on these devices, so that if they are lost nobody can get to the data
-  Control e-mail access settings, such as whether devices can download attachments
-  Create alerts for when you have issues
-  Block appstores
-  Disable roaming
-  Anti-malware protection
